

Why should I take the leap?

Companies need employees with AWS Cloud Skills

Get real-world, in-demand skills & experience that set you apart

Unlock a world of opportunities with AWS Cloud Literacy Skills

121%

58%

24%

68%

29%

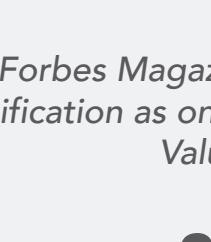

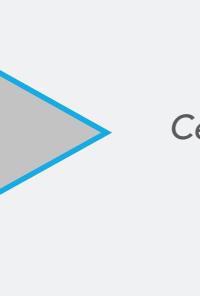

121% growth rate for job postings that include the term "cloud computing" between 2013 and 2017

58% of employees requested AWS skills by name in those listings

That's 24% higher than the next-leading requested cloud technology

68% of IT decision-makers report a gap between employee skills levels and organizational needs

29% of IT decision-makers say they have trouble finding candidates with cloud computing skills

Real Practice. Real Experience. Real Life.

Lectures

Knowledge Assessments

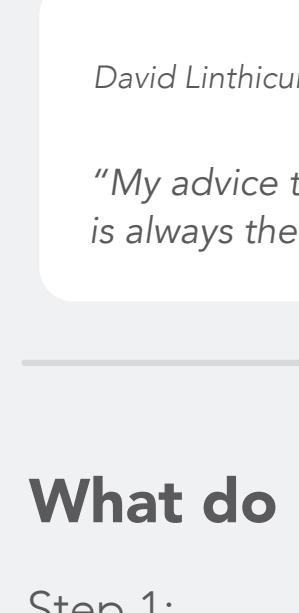

Hands-on Labs

Group Discussions

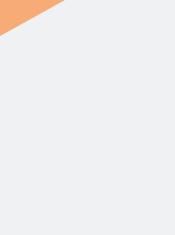

Individual Projects

Students will learn about AWS Cloud through real-world scenarios and gain the skills needed to architect real-world solutions.

Courseware is authored and maintained by AWS and taught by an educator who has earned AWS Accreditation.

Step 1:
Complete AWS Curriculum

Access to AWS Academy

Education geared towards passing the certification exam

Training from an AWS Certified Practitioner

The hands-on, real world learning approach gives you the practical knowledge & skills needed to show what you know in an interview

Demonstrate your knowledge & showcase the skills you mastered in your AWS Academy coursework by pursuing AWS Certification

AWS Academy students receive one free practice exam & a 50% discount on the AWS Certification exam

Certified AWS Students are likely to be hired faster

Certified AWS Students get internships more easily

Certified AWS Students are likely to get paid more

Investments costs are often met in first year of full-time employment

AWS Academy is being provided in more than 30 countries and has customers and partners who are hiring candidates with AWS Cloud skills globally.

David Linthicum, Infoworld

"My advice to people leaving college is always the same: Get AWS-Certified."

What do I get?

Step 1:
Complete AWS Curriculum

Access to AWS Academy

Education geared towards passing the certification exam

Training from an AWS Certified Practitioner

The hands-on, real world learning approach gives you the practical knowledge & skills needed to show what you know in an interview

Demonstrate your knowledge & showcase the skills you mastered in your AWS Academy coursework by pursuing AWS Certification
