Forbes Magazine has ranked AWS Certification as one of the Top 15 Most Valuable IT Certification

The average salary for AWS Certified IT Staff is \$122,792, which is 29% higher than the average certified staff

Course content, with regular updates, come directly from AWS, which reflects the pace of innovation, new releases & best practices.

Accredited educators with AWS Certification teach AWS Academy courses.

The skills gap has real consequences: 62% of IT decision-makers report increased stress on existing employees

# 62%

AWS Academy is working to close that gap by building a bridge between industry and academia.

AWS Academy prepares you to enter the workforce as a qualified job candidate

The hands-on, real world learning approach gives you the practical knowledge and skills needed to show what you know in an interview

Demonstrate your knowledge & showcase the skills you mastered in your AWS Academy coursework by pursuing AWS Certification

AWS Academy students receive one free practice exam & a 50% discount on the AWS Certification exam

“Get it.”

David Linthicum, Infoworld

"My advice to people leaving college is always the same: Get AWS-Certified."
